

ADVANCING HOPE TOGETHER

2026 CHN Golf & Pickleball Classic

Sponsorship & Participation Opportunities

TRUSTED SUPPORT. PROVEN RESULTS.

Empowering Connection. Advancing Care.

Cancer Hope Network empowers patients, caregivers, and families through one-on-one peer mentorship from trained survivors who've faced similar experiences.

As pioneers of the peer mentorship model in oncology, CHN has set the standard for compassionate, evidence-informed support.

With over **70,000 people served nationwide**, CHN helps reduce distress, strengthen coping, and improve quality of life.

Our **programs** — including **Hopeful Hearts**, **CHN en Español**, and **TACT** — reflect a commitment to **equity, access, and well-being** across the cancer patient care continuum.

CHN: *A national peer mentorship model delivering measurable, person-centered outcomes.*

Our Impact

Across the U.S. and Canada, Cancer Hope Network's 800+ trained survivor and caregiver mentors provide personalized, one-on-one support across diverse cancer types, languages, and life stages.

800+

trained peer
mentors

90+

cancer types and
subtypes represented

19 – 84

ages served

16+

languages spoken

50+

nonprofit partners
and collaborators

60+

hospital affiliates, allies,
and referral partners

70,000

individuals served

Behind every outcome is a conversation shaped
by personal, real-life experience.

These conversations reflect the interconnected challenges people face—emotional, practical, and personal.

“

Having a mentor who truly understands my experience makes all the difference. They provide a steady, compassionate voice when I need it most—and remind me I'm not facing cancer alone.

— CHN mentee, July 2025
